MASTER OF MANAGEMENT MM LEVEL 9 & MASTER OF MANAGEMENT (HEALTHCARE) MMHC LEVEL 9

PROGRAMME FOCUS

The aim of the study programme is to enable students to critically examine theories and practices of management and to conduct applied research so they:

- Develop high-level skills and knowledge for leading, managing and transforming organisations within an environment of ubiquitous and continuous change.
- Apply this knowledge and these skills to contemporary organisations in Aotearoa New Zealand and internationally.

OUTCOMES

Graduates of the Master of Management will be able to:

1. Evaluate and apply advanced contemporary management theories to emerging situations in an organisation.
2. Create an internal organisation culture with strong employee engagement, collaboration and teamwork, and ongoing learning and development in the changing environment.
3. Analyse, synthesize and communicate information, plans, policies and strategies to enhance business outcomes in an organisation.
4. Apply leadership and management skills to improve business performance within an organisation in Aotearoa New Zealand or internationally.

ADMISSION REQUIREMENTS

Applicants for the Master of Management must provide the following:

- A completed application form.
- Original transcripts showing a Bachelor's degree or a Graduate Diploma in a business-related field from a recognised institution, including full transcripts; or evidence of acquiring the relevant skills and knowledge through appropriate work or professional experience in business studies-related areas. Scanned PDF documents will be sufficient to progress the application, but original documents will be required on arrival at ICL Graduate Business School. Failure to provide original documents will result in the cancellation of the enrolment.
- For international students, academic IELTS with a minimum score of 6.5 overall (with no band score lower than 6.0 and gained within the past two years in one examination), or any other equivalent approved by NZQA.

- Credit transfer or RPL (Recognition of Prior Learning) of up to 50% of the total credits, i.e. up to 90 of the 190 credits required for the qualification may be negotiated on a case-by-case basis.
- ICL Graduate Business School also strongly recommends that a Personal Statement, written by the applicant, is attached to the application explaining why they believe they should study on the programme, their motivations and further aspirations.

CREDIT RECOGNITION

ICL recognises prior learning achieved within formal settings. Prior learning is understood to constitute formal learning, which is a study undertaken within ICL or externally prior to enrolment.

The following definitions apply:

- **Credit Transfer (CT):** Credit awarded for having successfully completed a course of formal learning at either the same tertiary education organisation or another accredited tertiary education organisation, where there is direct equivalence of at least 80% between the learning outcomes.
- **Cross Credit (CC):** Credit awarded for having successfully completed an identical course of formal learning at either the same tertiary education organisation or another accredited tertiary education organisation.
- **Recognition of Prior Learning (RPL):** Formal assessment of a learner's relevant and current knowledge and skills gained through prior learning to determine achievement of learning outcomes of a qualification. Prior learning is matched with learning outcomes of ICL papers at the same level and the same credit value of the proposed programme in which the student wishes to be enrolled.

Any credit can be awarded to whole ICL papers only and up to a maximum of 90 credits, i.e. 50% of the total credits of the qualification. No credit will be awarded for the Level 9 applied research component of the qualification. Credit applications may be declined for study undertaken more than five years previously, at the discretion of the ICL Academic Board. Any Credit Recognition is awarded upon application and at the discretion of the ICL Academic Board.

ADMISSION APPEALS

If a student wishes to appeal an admission process decision the following applies:

1. An Admission Appeal should be directed in writing to the Academic Director outlining the reasons for the appeal.
2. The Academic Director may request further information and evidence to support the appeal.
3. The Academic Director will consult with the relevant academic team(s) and the senior management team, where appropriate, to discuss and resolve the appeal.
4. The Academic Director will report ICL Education Group's decision to the student concerned.

PROGRAMME STRUCTURE AND DURATION

This full-time programme will be delivered through face-to-face classroom learning at ICL Graduate Business School, Auckland or blended learning.

Full-time students will take up to three papers per trimester. Each paper will be taught through one four-hour class per week, delivered by an ICL staff member across a 16-week trimester on either a day or evening timetable.

In total, students will receive four contact hours per paper per week. Students are also expected to study independently for five hours per paper per week. This totals 27 hours of learning per week for each student.

Programmes are offered at ICL continuously, with a one-week study break between trimesters and a two-week break over the Christmas period. Therefore, students will complete the Master of Management within 1.5 calendar years of full-time study.
